“ Shirley was a very dedicated, caring nurse, and loyal friend. She touched many patients lives in her long nursing career. As co-workers, we supported each other and worked many hard shifts together. As friends, we created lots of happy memories over the years. I will truly miss my sweet friend. She will continue to hold a special place in my heart. My prayers go out to her husband, children, grandchildren, and great grandchildren, may they find comfort in the happy memories of her.
