“ I remember as a very young little girl walking through the doors of Bethel Baptist Church seeing Mrs Shirley on the right side of the church. I would always go up and give her a hug and make my rounds with the others. After I hugged Brother Allred and heard the famous Jenny Wenny name. I would make my way back to my Grandparents and listen to the words. Mrs Shirley always had a smile and was always in a cheerful mood. She will be missed very much at Bethel. Prayers and condolences to all the family, friends and loved ones

“ In this picture, my nana was telling me how much she loved me and how proud she was of me. How proud she was of her great grand babies. And how much she appreciated and admired my husband for stepping up and taking care of me and my kids. I will never forget this moment.
