“ *Condolences to the Blakeney Family from Stephen's radio family in Meridian. It was back in 94-95 that the little man in the little pickup truck would trek up I-59 to work evenings on 97-OKK. While small in stature he was a big voice on the radio. By chance my brother ran into Stephen a couple of years ago Hattiesburg and said that he still had good memories of his time spent with us.*

“ Stephen, You and I go way back. My heart is breaking over your loss, yet I am thankful that you are no longer in pain. And I know you are in a much better place. I often think back T9 that very first night we met and it always brings a smile to my face. The times we shared will always hold a special place in my heart. It's been so long since we've seen each other but I'm so glad we reconnected. I'm so proud for all that you have accomplished. The radio will never be the same again. I almost can't bear turning it on, knowing I will never hear your voice again. But that's not what you would have wanted. I'm glad you finally found someone who made you happy. I'm happy you got that little girl you told me you wanted. Everytime I hear Brown Eyed Girl I will think of way back when...It's so hard to say goodbye.

“ Been many years listening to you on the radio. Tou were my Bud man for ride home. I love the jokes you told. I liked the music you prograded to be played. You were always someone that would talk to me when I called. STEven will be missed, He taught so many the ropes in the business that they will be able to carry on his legacy of good ole Classic Rock and Roll, Rock Blocks. He played around with county, but he had a rocking heart. I will miss hearing his on air commericals. Dude..... so long. and play a tune for me.
