“ *I only knew Stephen as a child. But he was a beautiful child! It seemed his goal in life was to make everyone laugh. He LOVED to tease me, and I loved him! I know his grandmother Hood was thrilled and waiting with our Savior to meet him as he reached home. To his family, I cannot know how very hard this must be for you all, but I know he is with Jesus and more of that family he loved. He will miss you too. But rest assured someday you will be together again...and he'll make you laugh, Stephens Aunt Sylvia*
