“ I met Steve at USM, we played together on a fraternity basketball team. All I remember is wining games and trying to get him the ball. He was a great athlete. After college I lost track of him until 2006, me again on a baseball field. We became friends, my son and his grandson played all-stars together. Several years later Steve and I formed a travel baseball team. We coached the kids, traveled to games, stayed at hotels, always together. Steve always wanted to eat at Wendy's! Steve loved our players and we had many practices and great times on the baseball fields! Steve was excited about this upcoming baseball season, and we planned to start with our kids next weekend. My family thought the world of Steve. Steve was a friend of mine, and I miss him.
