“ My dear sweet cousin, Steven: I can't say I knew many folks as loving and as loyal as you. No matter how much time or distance passed between us, seeing you again was always like we never skipped a beat. It was so reassuring to know that no matter what, if I needed you, you would be there. There's not many people in this world that possess as loving a heart as yours. You went through many difficult times in your life, but you stayed warm and loving despite it all. I pray you finally receive back the loving kindness you always deserved, now that you are in the hands of God. Please watch over us in heaven like you did in life. I wish I could hear you say "sup cuz" just one last time! I love you big cousin! Thank you for being there for me during some of my darkest days. Thank you for never judging me in my failures. I'll always keep your memory close to my heart. Your little cousin, Misty

“ My heart is saddened at the loss of such a sweet young man much too early in his life. My heart felt prayer is that he is now with those who have gone on before him and celebrating a new life with our Lord. My deepest sympathy to Sammy, Mary Jo and Christine and the rest of the family. May you all find peace in the Lord.

“ Steven when you would let people in to see the real you, they would find out that you had a HEART of gold & a VERY KIND Soul. When you, D.J. , & Chris would get together you would have everyone laughing & having fun. You were there when D.J. got hurt & you helped Chris threw it all. You will be missed so much & always LOVED. Thank you for being part of our lives.
