“ *Growing up down the road from the Howell's home, Susan was the closest thing we had to big sister. She even babysat in the summer for us. I remember so vividly the 1st time my father paid her. She asked for permission to take us with her to Kux Jewelers. You see, Susan had a plan. She was going to use that money to buy her mother something pretty. That is the Susan I choose to always remember. Love you Howell Family. God bless and comfort you. - Jan DuffyRuffin*
