

Susan P. Cave

March 2, 1952 - May 29, 2024

The joy of life is in the impact we have on the people we meet along the way. If that's true, then Susan Cave's life was beyond measure.

Susan Cave left this earth to join the Lord and those who've come before her on May 29, 2024. We're so grateful for the time we had with her, and we can't wait to see her again.

She's survived by her son Greg Lee (Cindy), daughter Missy Stockstill (Dwayne), and grandchildren Layken & Cade Stockstill.

She's preceded in death by her parents, her oldest sister Gwen Poppell (2006), her brother Eddie Parrish (2022), and her husband, Larry Cave (2014).

Susan was born on March 2, 1952 to Perry Parrish and Gladys Etta Tew. She was the youngest of six children, loved on, cared for and supported by all her siblings as the apple of her family's eye.

She attended Northeast Jones High School where she loved singing in the choir. While there she met Larry Lee and they were married in the fall of 1970.

In the summer of 1973, she became the greatest Mom of all time when she

gave birth to her son Greg. Three years later, in 1976, she proved once again that nobody did it better when her daughter Missy was born.

Susan married the love of her life, Larry Cave on March 1, 2014. Larry showered her with love, showed her what it meant to be treated like royalty and preceded her in death in January of 2021. In her passing, our loss is his gain in heaven.

Susan loved well and was loved. She was a fierce defender of those in need. Love of family and of the Lord was her North Star and it has guided her home.

“ *Just a few weeks ago Susan and I stood in the parking lot of Grocery Depot and talked for quite awhile. She seemed as tho she was happy and without health issues or maybe she just didn't let it show. Little did I know our paths would not cross again. I can't begin to know what all of you are going through but I do know you don't have to do it alone. God will be with you and carry you all the way to the other side of your grief. Remember, every time you walk down Memory Lane you'll find your loved one there. Betty and Dale Strickland*
