“ Ms Barbara I had no idea that Teresa had passed. You know that I always loved her. I'll never forget her face when the limo pulled up to take us to the Bon Jovi concert. Wish I had kept closer touch with y'all and now it's too late. My prayers are with you. Rob Luker

*I went to HighSchool with Teresa and have very fond High School memories.... sadly we lost touch After High School. Just before graduation, we had our pictures made together to send in to the airline companies with our applications to become Airline stewardesses! I posted the picture on our Facebook page of our classmates. My heart goes out to you Miss Barbara..*
