“ Terry and I were friends for about the past 5 years (we met on Facebook) even though we both lived in the Laurel Housing Project and graduated from George S Gardiner High School. He was 2 years ahead of me. He was a very sweet and caring person. We lost contact recently and I wanted to send him a Christmas card and was verifying his address when I discovered his obituary. I was stunned to see it. My prayers go out to all his family! God bless!

“ I have the clearest memories of Vickie & I living in Houston, Texas with Uncle Terry the summer between my junior and senior high school years. I remember getting up so early in the morning driving with him from the suburbs to downtown Houston to where he was manager. I would go upstairs to the employee lounge, with rollers in my hair, and sleep on the little couch they had there until he opened the store later in the morning. I worked in his store too. I even got my first job at the JCPenney's next-door to uncle Terry's work. So I continued doing the same thing every morning through the summer. Vickie and I will never forget or tell what we put poor little Duane through.

Terry was my mother's baby brother & will always have a special place in my heart. ❤️ Brenda Carol
