“ I had the pleasure of knowing Tex for only the past two years, during which we visited in her home and family sites in Jasper County. I last spoke with Tex a few days after Christmas this past year when she called me to thank me for sending her a card. She was always upbeat and possessed a fine sense of humor. She shared great stories and recollections with me of our family history. I will miss her greatly.

“ *I have had the pleasure of knowing Tex for almost 30 years. She was a dear friend who was very kind and trusting of me. I will never forget her. A remarkable lady with a sharp mind and engaging personality. It was a pleasure to know her.*

I lived on Northwood Drive for several years, where I first met Tex. She was a sweet caring lady. I last saw her a couple years ago and spoke with her. At that particular time, she was trying to get medical care for her former gardener and was very concerned about his welfare and health! Prayers for all who loved her. Sarah Entrekin
