“ Mr. Goza was always so warm and welcoming and caring! He was one of the first patients I bonded with at the pharmacy I am employed at. My first week was stressful learning a new system, meeting new patients, and just being the new girl. Mr. Goza came in one afternoon that week and talked with me and told me how excited he was to have me here and that he knew I would be a great addition. He knew nothing about me but took the time out of his afternoon to talk with me and get to know me; that meant so much to me. He brought Carol in to meet me shortly after that day and the 3 of us enjoyed all of our catch up convo's each time they visited. Mr. Goza will be truly missed!

“ Very sorry to hear about Tommy. Became neighbors and friends in the '70s. He rocked the 'hood every Halloween with the loudest, scariest noises I'd ever heard.

RIP my friend!
