“ I am so truly saddened by the loss of Scotty. What a special, beautiful person our Lord took at such a young age. I can only imagine how much he brightened up the Lords palace with his presence. It had been several years since Scotty and I saw each other last, but my memories of him have always been fond ones. My heart goes out to all of his family. You are all in my prayers.

“ I am so sorry for your loss. I'd only known Scott for about year, but it was an honor to have known him. He was always the nicest guy, always with a kind word. He will be greatly missed by many people. If I can be of any service to the family, please let me know. My email address is shown above.

“ *Dear Family, while I did not know Scotty well in recent years, we were great friends as children. We used to get together for neighborhood ballgames, etc. What always impressed me most was how fiendly Scotty was. HE would go out of his way to speak to anyone! If you knew him at all, you had an instant friend. My deepest sympathies and most sincere prayers go out to each of you. Johnny E. Hill*
