“ *Mr Robert and family: I am so sorry to hear about Ms Tommie. She was such a sweet and caring person. She kept my children when they were little and any time I saw her, she would always ask about them by name. She never forgot any of her babies. She was so special to me and I appreciated everything she did in taking care of them. Please know that you are in my thoughts and prayers during this time. Anita, Ashley and Adam Cochran*
