God's Garden

God looked around his garden
And He found an empty place.
He then looked down upon His Earth
And saw your tired face.
He put His arms around you,
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He knew you were suffering,
He knew you were in pain,
He knew that you would never
Get well on Earth again.
He saw that the road was getting rough
And the hills were hard to climb,
He closed your weary eyelids
And whispered, "Peace be Thine."

It broke our hearts to lose you
But you didn't go alone.
Part of us went with you,
The day God called you home.
