“ Linda and Robert and family, know that we are praying for each of you at this time of loss. Mrs Helen will be missed greatly and by so very many. I remember growing up out at Antioch and how she always took time for each of us kids out there from the youth group coming and singing Christmas Carols and her having cookies and hot chocolate for all of us to checking on the youth when we laid the concrete and had to water it all day long and we all took turns watering the concrete cause if we didn't then all the work would have been for nothing. She brought so many of us to know Christ as our Savior and I know that she is dancing on the streets of Gold now. We love all of you so much.
