“Ginger is greatly missed. I mostly miss her sense of humor and her laugh. She was most herself dressed with perfect hair but was a trooper when she came to Montana, not once but twice. I could name dozens of cherished memories of time spent with her from Montana, New York City, and San Antonio, Texas to her garage arranging flowers under her direction. She was a bright light.

“Dear family,
May the many memories be sweet treasures to share and to comfort. May the Lord's peace be upon you as you walk through this valley.
Looking to Jesus,
