“ I think I was about 9 years old the first time I remember being around Gingy and I thought she was the most beautiful woman I had ever seen. Didn't have contact with her after that until we had our first Waller Reunion in Ignacio, Colorado many, many years later. It became a yearly event having the Potter/Waller Reunion every year and I would get to visit with Gingy as well as other relatives. I loved our phone conversations in between. I loved hearing about when she was young. It usually took an hour for us to get everything taken care of in this mixed up world!! I am going to miss those calls. It's nice staying in contact with her two daughters, Susan and Sandy. You will be missed by so many Gingy. I love you.

“ I prayed for God to give her a hug and be prepared to listen because she loves to talk.

“ Prayers and comfort for her loved ones. I have so many memories of this sweet lady and her children from our church family at Grace Lutheran Church in Laurel. She was such a dedicated and loved member, and I loved listening to her play the piano and organ. What a blessing she was to so many ❤️🙏❤️
