“ There is so many wonderful memories with my best friend and it's extremely hard to pick just one.. Ms Jenny wasn't a happy camper when she telling me something that someone had disturbed her.. She and I we're sitting on the front porch as she was telling me the story she was drinking a bottle Pepsi.. I started laughing and then she started then she got to coughing because the drink went down wrong.. Ms Jenny said, Paul why did you have to break my good mad up and start laughing? Then she said that I was the only one could get her over her complaining.. lol

She is missed so much even though I know that she is t hurting any longer.. She always and mean always was helping others and plus animals..
