“ Years have passed and we drifted apart but you were in my heart, my dear friend! I am saddened that I will not be able to see you here on Earth again. You were my best friend in high school and I will cherish those memories. Charles, you have my deepest condolences.

“ Charles and family, I am so sorry for your loss. Y'all were our neighbors when I was growing up and y'all "adopted" us as your "kids" before you had your children. Many wonderful memories! Love y'all and I will be praying for y'all in the days and weeks ahead.
