“ Terry and Sylvia, Your mother has always been a beautiful and caring person inside and out. When we worked at Masonite together years ago, she was always the one that felt like family to me. She is one person that has touched my life just through her everyday living by being His witness. Please know I will be praying that God's revelation of peace, love, joy and His assurance will fill the family's life as you celebrate Virginia's home-going. We love you. RL and Judith Hilbun
