

## Vu Van Duong

October 14, 1986 - March 10, 2026

Vu Van Duong, otherwise known as “Bubba” of Laurel, MS, was born October 14, 1986, and passed away of natural causes the morning of March 10, 2026.

“Bubba” was known to care deeply for others and was always cracking jokes when he could, just to brighten your day, make you smile or laugh when you were having a bad day, or just because he could. He did his best to always try to help those in need, never wanting any credit or mention of his good deeds.

“Bubba” worked at Hol-Mac of Bay Springs, MS, as a machine operator, for the past four-and-one-half years. All of his co-workers absolutely loved and cherished him.

“Bubba” was preceded in death by his mother Diedra K. Bangs, his uncle Ernest “Mike” Henry, and his grandmother Celeste “Alice” Morgan.

“Bubba” is survived by his sisters Ly McNeill of Georgia and Jamie Walters of Shady Grove, MS; his brother Tam Duong of Ellisville, MS; his uncle Charles “Chuck” Morgan of Ellisville, MS; and several cousins.

“Bubba” is always going to be loved by so many and will forever be missed. Gone, but never forgotten.

“ I've known Bubba for a long time him and his brother I'm deeply saddened to hear of this. I know he's smiling were he is because that's one thing he did always. Praying for this family.

“ Bubba was always trying to make us laugh or was cracking jokes no matter the situation. He always did what he could to make you laugh, especially if you were sad. He never failed at loving his closest friends and family. He brought me to the AT&T stadium my first and only time to watch the Saints beat down my Cowboys. We had an adventure for sure the day before and the day of before the game. Trying to sleep that night was interesting as well. Great memories to always be able to cherish. I'll never forget the look on his face the last time I surprised everyone going back to Mississippi. That trip was the only one that he had no idea that I was going on. His expression was priceless and one that I will always hold dear in my heart because it showed the connection that we had and how close we were. I love you, Bubba and always will. You will be dearly missed by all the lives you touched with your warmth and kindness.
