

## Walter Bevill Green

April 8, 1938 - August 8, 2020

Walter Bevill Green of Sandersville, Mississippi passed away on August 8th, 2020 from COVID-19. Born on April 8, 1938, he was eighty-two years old. He is survived by his wife of sixty-two years, Charlotte Ishee Green; son Robert A. Green (Sara) of Starkville, MS; daughter Kaye Lunsford (Courtney) of Crystal, Beach, TX; granddaughter Kathryn Green Ashmore (William), and grandsons Taylor Lunsford (Tiffany), Mason Lunsford; and two great-grandchildren Ella Ashmore and Rory Lunsford, He also leaves behind his brother Adrian (Bonnie), sister-in-law Lonnie, and many beloved nieces and nephew. He was preceded in death by his father Hulon, mother Deane McCoy, brother Truman, sister Audrey Scales, and granddaughter Lindsay Lunsford.

Walter was a loving husband, father, and grandfather who was always willing to help those in need. He was active in his church having taught many Sunday School classes, enjoyed working with children, and led the RA's at First Baptist Church in Taylors, SC. He was a member of Florence Congregational Methodist Church in Sandersville, MS where he also sang in the choir. During his life he served on countless church committees. After a career in insurance and steel sales that took him to Georgia, North Carolina, and South Carolina, he retired to Sandersville to be near his mother- and father-in-law.

He was a Mason and served as Worshipful Master of the Lodge in Taylors, SC in 1982. He retired from the US Army Reserve at the rank of Lieutenant

Colonel after thirty years of service. While a member of the Mississippi National Guard, he led troops from Starkville into Oxford, Mississippi to ensure the integration of the University of Mississippi.

Walter loved the outdoors; whether it was hunting and fishing with his family before his children left for college, boating, or working in the yard. He was an avid reader with a book never far from his reach. He was a life-long learner having completed multiple correspondence courses with the Army and read the entire encyclopedia more than once. His primary goal in life was to ensure his family was provided for and his children graduated from college. He was more than pleased that they have six college degrees between the two of them.

A memorial service will follow at a later date.

“ *Mrs. Charlotte Green and Family,  
I was saddened to read of Walter’s death. I really enjoyed working with him at Carolina Steel, going to the lakes fishing, playing chess everyday at lunch, walking for the March of dimes. Those were enjoyable times. We pray God’s blessings upon you and your family.*

“ *My crazy Uncle Boo! You were the oldest of the Green children and will be sorely missed. So many memories of you and all the family stories I've heard about you and the kids and the stuff y'all got in to. My favorite memory of you is when I stepped on a wasp or hornet while at Grandma Deanne's house and you put chewed up tobacco on my foot to help with the pain. I couldn't quit crying and I don't remember if it was from the sting or your stinky tobacco on my foot!*

*I will remember you as Daddy's big brother, my uncle, Charlotte's loving husband, Tony and Kaye's daddy, and the proudest grandpa and great grandpa around! You had a life well lived and will be remembered as such*

“ So many wonderful Taylors memories. George and I were so blessed to have Walter and his family as neighbors. We will always remember the day our children and granddaughters played together. So many years have come and gone since then but we will never forget our love for our Lord and Taylors First Baptist Church and our sunday school class. We love all the Green family. So sorry for your loss. Rest in peace our friend.
