I've known Pete for over sixty years. He was always outgoing, friendly and fun to be around. He and my cousin " Danny " Nowlin were best friends always. Danny's middle name was Terrel and Pete called him " Terrible Terrel" . They were very close since childhood. Danny visited me about a year before he passed but his real purpose was to see Pete because Pete was having health problems. Jerry and I were closer to the same age and always admired him for serving on the police force. God bless you all during this sad time and give you peace and comfort 🙏❤️
