“ Glenda, Glenn, Suzanne and family - We just heard of David's passing and we are shocked and saddened. David was like a dad to me - looking out for me. He didn't say much, but when he spoke he meant what he said. We spent many nights sitting together and saying nothing. It makes me smile to think of those days. He told me of his struggles and how he trusted God to overcome difficulty. He is a man of his word. And he is a doer of the Word, not a hearer only. His early morning Bible reading was a great example to me. I am sorry I will not see him again here. Sorry I am not there to grieve with Mama Glenda and Glenn, one of my closest friends. My prayers are with you. Know David is right there in the presence of God and may you know His comfort. I love you much.

“ I was really saddened to hear of Mr. David's passing. When I first moved to Laurel about 4 yrs. ago, he was one of the first people I met. He always cared for people and helped people more than anyone will know. When I relocated to Missouri 6 months ago, David called me once a week just to check on me and my daughter, which I really appreciated. My thoughts go out to Mrs. Glenda and the rest of the family during this time.
