“ *My condolence to the family. I spoke to Billy last year, and like always he's polite and kind. Man I'm so hurt about this. He loved his family, and he didn't judge people by the color of their skin, but by the way they treated people. The funniest time I had with Billy is when myself and Billy was trying to put some goats onto a pickup truck. That memory I will cherish. Thanks for being a part of my life. Love you ,and R.I.H.*
