“*Dave you were one of the best friends I ever had, but it's a shame I didn't get to hang out with you one last time. At least you're free from all your pain. All my condolences and sympathies to your family...especially Jennifer and Melissa. You're gone but never forgotten, brother.*”

“*David was in one of my 8th grade English classes at Northeast Jones. He was the cutest boy and very funny. He got the best of me several times with his wit, but he always made me laugh. David was so smart and didn't have to apply himself because academics really were easy for him. Billie, Doug, Greg & Kathleen: I'm so sorry for your loss.*”
