“ *Many times my phone would ring and I knew it was Ray. He was so much fun as he would ask me was my porch cleaned off. I always enjoyed his phone calls. He kept things going in the facility with so many laughs he provided to all. Nothing like his attitude can be matched. We all appreciated him and loved him so much. Prayers for his family which was his life. He kept telling me that he was soon going to leave this world. I tried to encourage him to remember he meant a lot to all of us. Thanks for Ray, he helped anyone he could do for in the facility.*
