“*Dub, was one of my favorite cousins. Will always remember the good times we had when he would stay with us when we lived in Mobile, Ala. He always had to take care of me, his little cousin. When he drove the school bus and I had just started school, he would always say, Lynda Joyce, are you on here? He always loved his family, and we loved him. Beth is a special friend to me and Dub was so lucky to have had her in his life for so many years. He will be missed. We are praying for all the family.*”
