“ I know it has been a long time and I wish I had been able to get to see yall before this happened. Some of my fondest memories are at Uncle Docs and Aunt Alice's when I was little. Teress and I have talked about it so much.

I am so sorry Aunt Alice. We could all learn much from your 65 years of marriage. Yall are an inspiration to all of us who did not make it quite that long.

Although the years have passed and we didnt see each other, I think of you often. I love you and my prayers are with you and twyla and sandy and families.

May God Bless and you will be in my prayers.
