“ I have many wonderful memories of my Aunt Wilma, when I was growing up because she always made me feel special and loved. I cherish her kindness and caring every time I was able to spend time with her and the family. I know she is now able to talk again with my mother, Eunice Fall like they would when they were together. She will be missed but I will carry the many memories I have of being with her. My thoughts and prayers are for the family at this time. With my love to you all, Dixie Rowland
